

# Calendar Comparison

## 2022-2023

Start Date: August 16th

End Date: May 16th

Student Days: 173

School Day: 8:15-3:00

**Contracted hours for teachers = 1371.75 hours**

(177 day contract \* 7h45m workday)

Instructional minutes per day: 360

(instructional minutes = total school day - non instructional time (lunch and passing time))

Total instructional time = **1038 hours**

Students will receive 27 extra hours of classroom instruction if the 4-day week is adopted. Teachers will also work an additional 17 Fridays providing extension activities, targeted intervention, and exploratory activities for students. Fridays are not included in the instructional time calculations, that is bonus time with teachers.

## Proposed 2023-2024 4-Day Calendar

Start Date: August 14th

End Date: May 22nd

Student Days: 150

School Day: 8:00-3:45

**Contracted hours for teachers = 1424.2 hours**

(150 student days + 5 in-service days + 17 Cougar Fridays)

Instructional minutes per day: 426

(instructional minutes = total school day - non instructional time (lunch and passing time))

Total Instructional time = **1065 hours**
